

# HERKOMST

## Welcome to Herkomst

We want Herkomst to be a place where you want to drop by for lunch and enjoy a tasty piece of smørrebrød in new interpretations. A place where you can hold a meeting in Copenhagen and enjoy the tranquillity of the canals surrounding the old warehouse where Herkomst is located. A place where you can invite your close relations for a cosy dinner, and where we will do our utmost to ensure that your taste buds are spoilt with exquisite dishes.

Herkomst is both a lunch and evening restaurant. The food reflects our Danish roots, where we basically follow the seasons and make everything from scratch. We use the local ingredients that skilful suppliers from all parts of the country produce. However, we are not afraid to seek inspiration outside Denmark's borders as well.

You are welcome to end your evening with a glass at Nobel Bar as is down a flight of stairs.
